Costume Specialists

This is  
**OREO**  
fully assembled.

If you have  
any questions or  
problems please call  
Costume Specialists  
at  
1-800-596-9357

- This costume is designed to be worn by someone of an average build and approximately 5'4" to 5'8" tall.
- The wearer ought to be of reasonable strength and stamina.
- Shorts and a T-Shirt are best worn under the costume. It's advisable that the wearer drink plenty of liquids before and after the event.
- The costume must be worn WITH "street" shoes.
- Be sure to have a dress rehearsal. It takes two people about 10 to 15 minutes to put on the costume. Becoming comfortable in the costume before the event will insure the best performance.
- Have Fun!!

and VL-2 Charger

# Wearing Instructions For OREO

**1** Check the inventory.

Be sure the Batteries are fully charged.

**2** Insert a fully charged Battery onto the V-Mount Plate.

Secure the bag, allow the Power Cord to hang out of the bag.

**3** Put on the Backpack and clip the belt.

The belt should rest comfortably on the hips

**4** Reach into the costume leg and find the elastic cuff.

Step into the cuff so that the top elastic sits at the knee, and the bottom elastic is secure at the ankle.

**5** While the wearer holds the Body off of the floor, help him/her step onto the Shoe Bases.

Secure harnesses around the wearer's feet.

**6** Starting with the center front, Velcro the Body to the Shoe Bases.

This should be a snug fit.

# Wearing Instructions For OREO

**7** Center the Frame Extension on the Velcro "Clutchie".  
Secure the Velcros.

THE WEIGHT OF THE BODY SHOULD NOT REST ON THE FRAME EXTENSION. IT IS THERE TO STABILIZE THE BODY.

**8** Plug the V-Mount into the Y-Cable.

The Fans should begin to run.

**9** Holding the Frame Extension, pull the Costume over the wearer and the Backpack.

Slide the Frame Extension into the pipes on the Backpack.

**10** Zip the Body closed. Let it inflate.

Inflation takes approximately 45 seconds.

**11** Oreo is ready to entertain!

# Figure Eight Storage Instructions

**1.** Place the character upside down on the ground and locate the legs of the character.

**2.** Tuck the legs and arms together in the center of the body.

**3.** Grasp the edges of the hoop with an “over-under” placement of your hands.

**4.** Twist with one hand and push with the other hand so the hoop doubles over on-top of itself like a figure eight.

**5.** Place the now compact costume into the dust bag.
