Cleaning Instructions

# Wearing Instructions For **Cookie Mouse**

**1** Attach the Ears to the Head. Slide each of the 3 Velcro strips connected to each Ear through the matching holes in the top and sides of the Head.

PLEASE NOTE:

To prevent permanent damage to the Head and Ears, please remove the Ears before packing and shipping.

**2** Reach inside the Head and fasten the Velcro strips to the corresponding Velcro inside the Head.

**3** Optional Santa Hat:

Using the openings closest to the center of the Head, secure the Hat the same way you did the Ears.

**4** Slide the Tail through opening in the back of the Overalls. Secure in place with the Velcro.

**5** Put on the Shirt. Zip up the back.

**6** Put on the Overalls. Fasten the straps.

**7** Put on the Parade Feet making sure the wearer's foot is in the inner sandal.

Pull the inner sandal's laces tight and slide the toggle down.

Secure the ankle straps.

**8** Fasten the Velcro up the back of the Parade Feet.

**9** Adjust the length of the Overalls by turning the cuff under and snapping it to the appropriate position on the snap tape running up the leg.

**10** Locate the orange fabric covered Cooling Fan switch inside the Head. Turn the Cooling Fan on and off by pressing the Red button.

**BE SURE TO TURN OFF THE FAN AFTER YOUR EVENT**

**11** Put on the head and secure the chin strap.

PLEASE NOTE:

If the Head does not fit comfortably or visibility is poor, headgear adjustments can be made now.

Before adjustments:

Remove the headgear by pulling it free off the Velcro located inside of the Head.

## HEADGEAR ADJUSTMENTS:

Remove the Headgear by pulling it free from the Velcro.

Locate the straps attached to the front and back of the Headgear. Each can be adjusted by repositioning the Velcro.
