Wearing Instructions For **Christmas Billboard**

1 Check the Inventory. Make sure the Batteries are fully charged.

On the side of the Battery is a button push in to indicates how much life is left in the Battery.

2 Insert a fully charged Battery into the V-mount Plate. Slide the Battery into the pocket on the back of the Electrical Vest. Fasten the bag closed, allowing the Power Cord to hang out of the right side of the bag.

3 Put on the Tights, Elf Shoes and Gloves.

4 Put on the Electrical Vest and clip around the chest.

5 Plug the Power Cord on the Electrical Vest into the Y-Cable located in the Body. The fans should begin to run.

6 Pull the Costume over your head. Have an assistant help you.

7 Inside the Costume there are two straps at each armhole. Once inside the Costume, clip these straps together and put over back of neck. These straps help hold the weight of the Costume. Adjust the straps to achieve the appropriate height.

8 Pull the Skirt of the Costume up to your waist and tighten the drawstring. Put your arms into the sleeves. The Costume should begin to inflate. Inflation takes approximately 45 seconds.

9 Clip the Front Cover to the Body at the shoulders.

10 Clip the Back Cover to the clips on the Body at the shoulders. Clip the Front Cover to the Back Cover under each arm.

11 Christmas Billboard is now ready to entertain!
