Wearing Instructions For **Taco Dragon**

1 Preload the Horn onto the Head if they are not already attached. Slide the Velcro tips of the Horns into the hole located in the top of the head. Match the color and line up the lines. Press firmly to secure in place..

2 Preload the Tail onto the Pod. Press the Tail firmly to the corresponding Velcro on the back of the Pod. Guide the straps through the slots on the Pod and attach inside.

3 Put on the Pod. Step into the Pod and pull it up around your waist and hold it there until the Feet are put on.

4 Put on the Body. Step into the Body and pull it up around the Tail and onto your waist. Hold it there until the Feet are put on.

5 Put on the Parade Feet. Make sure wearer has his/her feet under both Elastic straps located inside the Feet. The middle strap can be adjusted by pulling up on the Velcro and repositioning.

6 Wrap the Ankle Straps around the wearer's ankles. This will secure the Parade Shoe on the wearer.

Velcro the back of the Feet closed.

7 Locate the bright fabric covered Cooling Fan switch inside the Head. Turn the Cooling Fan on and off by pressing the Red button.

BE SURE TO TURN OFF THE FAN AFTER YOUR EVENT!.

8 Put on the Head. Fasten the chin strap by securing the Velcro.

PLEASE NOTE:
If the Head does not fit comfortably or visibility is poor, any adjustments should be made now.

Please see the next step.

9 Fasten the Harness on the shoulders by feeding the straps under the wearer's arms, through the metal D-Ring and back under the arm. Velcro to the corresponding Velcro along the Harness. Tighten as needed to hold the Head steady.

10 Put on the Mitts.

11 Pull the Pod up onto the wearer's shoulders and secure Velcro.

Then close the straps of the Pod. Again, by securing the Velcro.

12 Next, pull up the Body. And zip it closed.
